# MULTICULTURAL ENGINEERING RECRUITMENT FOR GRADUATE EDUCATION

**The Grainger College  
of Engineering**

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN

## Are you interested in graduate school?

Apply for a unique opportunity to connect with  
Grainger Engineering Graduate Programs

The Grainger College of Engineering at the University of Illinois at Urbana-Champaign is now accepting applications for the **2022 Multicultural Engineering Recruitment for Graduate Education (MERGE) Campus Visit Program**.

Each fall, the MERGE Program invites a group of prospective students which includes women, persons from backgrounds traditionally underrepresented in STEM, and people of all physical abilities to connect with representatives and current graduate students from their programs of interest, learn about our application process, and explore grad school funding.

- **Live virtual visit** for all participants on September 23, 2022.
- A select group of MERGE participants will be invited to attend an **on-campus follow-up visit** on October 27-28, 2022, sponsored by The Grainger College of Engineering.
- All MERGE participants are eligible for an **application fee waiver** when applying to a Grainger Engineering graduate program.
- MERGE participants who enroll in a Grainger Engineering graduate program will be eligible for **\$700 of professional development funds** unless they participated in the sponsored MERGE campus visit in October 2022.

To learn more about eligibility requirements and apply for MERGE, visit our website. For full consideration, apply no later than **August 15, 2022 at 11:59 PM CDT**.
